A TEXAS NIGHT STORY

ONCE upon a time while sitting around the campfire after the 2012 ASIS conference at Buckhaven Ranch in Kerrville, Texas, it occurred to me that it would be great if all Texas ASIS members could gather at one event to meet & greet, network and socialize. From that idea, the first inaugural TX NIGHT was conducted in 2013 with tremendous success at the ASIS International – Chicago Seminar & Exhibits. Borne out of a desire to muster all TX ASIS members at the annual Seminar & Exhibits.....the event was launched for the purpose of networking, socializing and recognition. Because ASIS International Region 3C encompasses ONLY the State of TEXAS, we are challenged geographically with 6 Chapters across our “*whole other country*” and over 2,000 members! That alone was reason enough to get everyone together in one-place, and the obvious venue was the annual ASIS International Seminar & Exhibits. Wherever we go, TEXAS goes with us! Bring your Hat & Boots for the 2014 event in Atlanta, GA **as the very first HOUR of TX NIGHT is dedicated to TX ASIS members only, VIP’s and Sponsors! At 7pm, the doors open to TEXAS hospitality for all ASIS International members!** All the food you can eat, come hungry! *Drink tickets will be given free at the door and when we run out, it’s an open cash bar. Country music, Cigar station on the Patio compliments of the ASIS Military Liaison Council, Best Dressed TX Attire contest, Bag of goodies and wait for it.....

1st Edition ASIS TX NIGHT Pin for each ASIS attendee

Region 3C (State of TX) Regional Vice President – Charles Andrews, CPP founded this event in 2012 and acts as its coordinator and promoter. For the first time in 2014, the **ASIS Foundation** has asked us to combine with its efforts. Region 3C supports the ASIS Foundation mission with an annual donation from each Chapter annually. For the first time in TX NIGHT history, a financial donation will be made by TX NIGHT to support The ASIS Foundation from the Region.

This means you are also supporting the ASIS FOUNDATION!

To help support the ASIS Foundation, a custom and limited edition Challenge Coin (300 made) will be given away with each \$20 donation made during TX NIGHT! Through various TX ASIS members in attendance, they will pass their TX Cowboy (or, Cowgirl) 10-gallon hats soliciting from attendee’s a donation in exchange for one of the limited challenge coins described. We hope to make circulating the **ASIS FOUNDATION TX NIGHT HAT** an annual and fun tradition going forward. Show up to get your limited edition challenge coin and support a great cause!

See y’all there!

CHUCK

Charles E. “Chuck” Andrews, CPP
[ASIS Region 3C \(State of TEXAS\) Vice President](#)
